

Registration Information

A separate check must be mailed for each event. Mailed reservations will be accepted in the order received and space cannot be guaranteed for reservations received after the deadline. The reservation chair will confirm reservations by e-mail or phone. If no space is available when your reservation is received you will be notified and put on a waiting list. If you cannot be accommodated, your check will be destroyed after the event.

To cancel a reservation contact the Reservation Chairman, Barbara Mueller, as soon as possible. You will be reimbursed if notification is given within one week of the event, or if there is a waiting list.

To register a guest please use the coupons below. Make the check payable to: NCI ARTworks and send to:
